

Connection

Vol. 17, No. 5

May 2017

There's no place like home

We know you have options in communications services these days. So why should you choose F&B Communications? Because we offer important advantages that benefit both you and your community.

Local Customer Service

If you need help or have questions, you can call or stop by our local office and get personal attention from people working in your community.

Support of Local Economy

When you choose F&B, you support the local provider and keep your money right here at home. We're a local employer, support schools and local government through tax dollars for our property and underground cable, and contribute to many local organizations.

Money-saving Bundles

You'll enjoy incredible values when you get multiple services from F&B. Our bundles offer popular combinations of TV, Internet and phone services at discounted rates. Plus, you'll gain the convenience of receiving just one bill from one company.

Want to know more? Give us a call at (563) 374-1236.

Appreciation Days

Our annual Customer Appreciation Days are just around the corner. We'll be serving lunch in a community near you. Mark your calendar:

- June 13 - Calamus
- June 14 - Delmar
- June 15 - Wheatland
- June 21 - Bennett
- June 22 - Lowden

Offices closed

The F&B Communications office and Technology Solutions will be closed Monday, May 29 for Memorial Day.

Directory ads

Representatives from Pinnacle Marketing will soon be calling on businesses in the F&B service area for Yellow Pages advertising.

Pinnacle Marketing is the company that produces the *Eastern Iowa Regional Telephone Directory*, F&B's official directory.

If you have questions about the directory advertising process, contact the F&B office.

Directory cover photo contest

F&B and the participating companies in the *Eastern Iowa Regional Telephone Directory* are again featuring a photo contest for the 2017-18 telephone directory that will be published this fall.

The winning photo will be featured on the cover of the directory that is circulated throughout eastern Iowa. We are looking for recent photographs from our local area and prefer landscapes of nature, parks, rural scenery or other landmarks.

Entries must be received by June 1, 2017 at 5 pm.

High-resolution digital photographs are preferred and

may be e-mailed to info@fbc-tele.com or prints may be delivered to the F&B or Technology Solutions offices prior to the deadline.

The contest is open to anyone that subscribes to service from F&B. Only one entry is permitted per active customer account.

All entries from F&B and the other participating companies will be forwarded to the directory publisher and a winner will be selected by participating telephone company representatives.

The winning artist will receive credit in the directory. The winning photo becomes the property of Pinnacle Marketing.

2016-17 Directory Cover

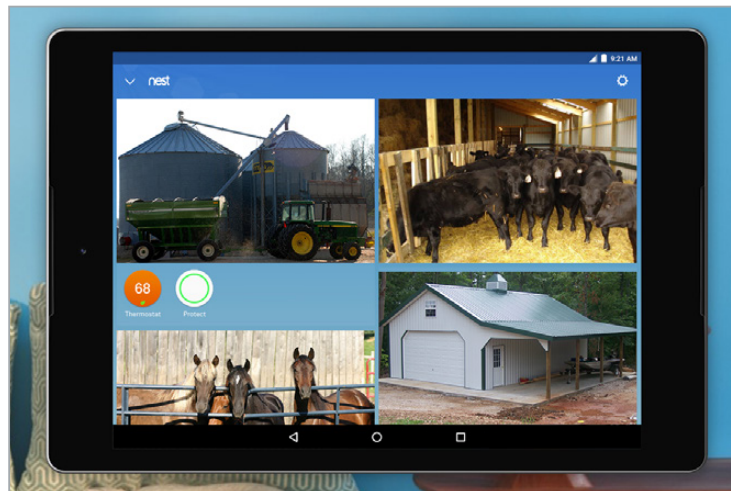

Cameras keep watch for you

Technology is making it easier for farmers to keep an eye on their livestock and homeowners to monitor their property.

With Nest Wi-Fi connected cameras, you can see and hear livestock or monitor grain bins and farm equipment on your smartphone or tablet. Homeowners can use Nest cams to watch their property or keep tabs on children playing in the yard.

Nest Cam indoor and outdoor models combined with an outdoor Wi-Fi network keep an eye on what matters to you.

With advanced motion-sensing technology, if something is up, it sends an alert to your smartphone or tablet. Nest Cams stream securely in 1080p HD. Optional cloud storage maintains recordings for 10 or

30 days and offers a user-friendly interface to review footage on a computer or mobile device.

Technology Solutions is an authorized Nest Pro selling and servicing the Nest Wi-Fi connected smarthome suite of

cameras and thermostats.

To see a demo or learn how Nest cameras can enhance your farming operations or protect your home, visit the professionals at Technology Solutions or call (563) 374-1322.

24/7 help desk for Internet support

Need some help with your FBCom.net e-mail account or have an Internet connection problem? Call our help desk toll-free at **1-888-832-4322** or dial local (563) 374-3322 for assistance anytime of the day.

Technicians have access to basic account information and have recently worked with customers to resolve issues in a reduced amount of time without having to wait for a callback from a local F&B tech.

Should the help desk technician be unable to resolve a problem over the phone or remotely, a ticket will be escalated to a local F&B technician.

Accessibility of services for disabled customers

The Federal Communications Commission (FCC) requires service providers, like F&B Communications, ensure their services are accessible to and usable by individuals with disabilities, if readily achievable. Access to communications is paramount for full participation in today's society. F&B is committed to provide services accessible to and usable by its customers with disabilities consistent with applicable laws such as Section 255 of the Telecommunications Act of 1996 and the Americans with Disabilities Act.

The Company's telephone directory provides information on Telecommunications Relay Services for individuals with hearing and speech impairments.

Please contact us at (563) 374-1236 for further information or to discuss your accessibility needs and the options we may have to assist you in using our services. Additional information is also available on our Web site at www.fbc-tele.com.
