Adding Authorized Users to Account

Under the FCC rules governing the use and disclosure of Customer Proprietary Network Information (CPNI), **F&B Communications** will only be allowed to discuss CPNI at our retail location(s) with those listed as an authorized user on the account and carrying a photo ID. The only exceptions may be for certain routine customer service issues if you have all pertinent information with you, such as the bill or call detail information you wish to discuss. **Remember, CPNI includes call detail information and certain account information, including the amount of your bill.** For telephone inquiries, other rules dictate how we authenticate a customer. In order to make your experience with **F&B Communications** the best possible, we want to give you the option of adding authorized users to your account. Adding an authorized user does not mean that their name(s) will show up on the bill, but only that these persons will be allowed to discuss CPNI with our company representatives.

IMPORTANT: By signing below, the customer is expressly requesting that the company share certain account and call detail information, including Customer Proprietary Network Information, with authorized account users and is authorizing the company to share such information with authorized users as necessary to address service and account inquiries initiated by the account owner or any authorized user.

Establishing E-mail Address of Record

Under the FCC rules governing the use and disclosure of Customer Proprietary Network Information (CPNI), there are certain circumstances under which **F&B Communications** may be permitted to respond to your inquiries regarding call detail information or certain account information only by the customer providing a pre-established password (*See Establish a Password*), the company calling the telephone number listed on the account, or the company sending such information to the mailing address or electronic address of record. Your mailing address of record is the billing address for your account. If you wish to establish an electronic address of record, you must notify us of the e-mail address you wish to designate as your electronic address of record. **In order to be considered an electronic address of record, the designated e-mail address must be on file with the company for at least thirty (30) days.** This form will establish an e-mail address as an electronic "address of record" only for purposes of service and account inquiries, including inquiries relating to CPNI. This form will not change the billing address for your account.

Designated E-mail Address for Account Inquiries:
